IMPACTING EDUCATION WITH THE NAME OF JESUS

# Empowering Christian Teachers

## Christian Teachers...

- **Are on the mission field**
- **Are valuable**
- **Are to be honoured**
- **Make a difference**
- **Need the strength and power of the Holy Spirit**

Miracle Education upholds God's standards for living and therefore encourages and supports Christian teachers to make the word of God the example for every aspect of their lives.

## Integrity creates promotion

This concept is seen in the lives of Daniel and Joseph, who are heroes from the Old Testament, because they refused to compromise. Their reward for not compromising was an increase in authority and leadership. This was particularly remarkable since this occurred outside of their homeland.

Similarly Christian teachers are missionaries outside of their homeland who can feel constantly pressured to let go of the standards set by their Lord. SO, we need to support and encourage them with our prayers, words and actions.

## Support and encourage your Christian Teachers

### Be active by...

Diligently finding out if there are Christian teachers in your school.

Advertising your prayer group in the school newsletter so teachers can know of your existence. Make sure to include contact details so you can be easily located. Organising a regular time and procedure for collecting prayer points from teachers.

Fellowshipping regularly to develop strong relationships with the teachers. Sending notes of encouragement and thanks. Inviting and including teachers in your prayer meetings even if it means organising a special time just for them!

Praying that Christian teachers will have their confidence and trust totally in Jesus Christ.
